NRAI SUBMISSIONS REGARDING
SAFE FOOD AND BALANCED DIETS FOR
CHILDREN IN SCHOOL REGULATIONS 2020

Respected Ma'am,

1. Greetings from National Restaurant Association of India. NRAI is the Indian Restaurant Industry's leading Association. Founded in 1982 and headquartered in Delhi, we are the voice of the restaurant industry representing the interests of 5,00,000+ restaurants pan India. The restaurant industry, with an annual turnover of ~ INR 4 Lakh Crore is the third largest after retail and insurance in the service segment, providing direct employment to over 7 million Indians.

2. We are writing in regard to the **Urgent need for your intervention to help Restaurant QSR industry regarding School Children Regulation and impact it is going to have on the QSR industry as a whole.**

3. As per data collation from 5 major QSR brands and the fifty meter clause needs to be deleted else it will impact the employment, infrastructure loss and business loss which amid the current Covid-19 pandemic further hampers the condition. More than 500 QSR stores are expected to fall within 50 metres of Schools. This data is from 5 major QSR players. However, if we go to the rest of the QSRs, this figure may triple in number.

- No. of stores to be shut =500
- Jobs loss = 300X40=20000job loss.
- Business loss =3160crores INR(in 1 year)
