FIRE NOCS FOR RESTAURANTS  
REQUEST FOR URGENT MEETING

Dear Sir,

1. Greetings from the National Restaurant Association of India. NRAI is the Indian Restaurant Industry's leading Association. Founded in 1982 and headquartered in Delhi, we are the voice of the restaurant industry representing the interests of 500000+ restaurants pan India. The restaurant industry, with an annual turnover of ~ INR 4 Lakh Crore is the third largest after retail and insurance in the service segment, providing direct employment to over 7 million Indians.

2. On the above captioned subject, we would like to state that the industry has been facing severe challenges related to fire norms and issue of NOCs for restaurants. While our association has been engaging with various government departments for the same, the issues remain unresolved.

3. In order to explain/discuss the issues in detail, we request you to grant us time for an urgent meeting with you, for which we will be ever grateful.

Thanking You,  
Sincerely,

Prakul Kumar
